Application Check List

Please note: failure to supply the following documents will disqualify you from the application process

- Membership to ARCE renewed or completed** - Failure to be an Individual Member of ARCE at the time of application will automatically disqualify you from consideration
- Project Description** - In no more than 3 double-spaced pages, describe the project for which funding is being requested. Include project goals, work plan/schedule and, when appropriate, technical data. Be sure to include any relevant maps, diagrams and photos.
- Extra Non-ARCE Funding for your Project** - If applicable, please include no more than a page of Information indicating any additional funding that has been pursued and/or secured thus far for your project.
- Previous Grants Received** - If applicable, please include no more than a page of information listing previous grants received by the Principal Investigator for the last three years.
- Project Budget** – Use the AEF Budget Form to detail estimated costs in appropriate categories. **AEF grants only support direct costs. Indirect costs are not allowable. Please do not request indirect costs either in your proposal or in any resulting contract.**
- CV of Principal Investigator** – **Not more than 2 pages** of appropriate data is required.
- CV of Principal Recipient(s) of the Endowment Funds** – **Not more than 1 page** of appropriate data is required for all individuals receiving payment for work using the AEF award.
- AEF Participants' Salary History** – Must be completed by each project member (excluding Egyptian Nationals) receiving payment for work associated with the project

Submission of Application:

All submissions must be sent electronically to Jane Smythe at aef@arce.org
