Dept. of Near Eastern Languages & Civilization, Univ. of Washington
Middle East Studies Center – Portland State University

October 9, 2021, 1PM Pacific Time ([Registration Required](#))

Free and open to the public

LIVE FROM EGYPT: Dr. Ikram will be treating us to whatever she wants to talk about regarding **Animal Mummies**. As there is much to love about animal mummies, we can look forward to hearing from one of the top experts in the word on the subject. So....be ready for anything!

Salima Ikram is a Distinguished University Professor of Egyptology at The American University in Cairo and has worked as an archaeologist in Turkey, Sudan, Greece and the United States. After double majoring in history and classical and Near Eastern Archaeology at Bryn Mawr College, United States, she received her MPhil in museology and Egyptian archaeology and PhD in Egyptian archaeology from Cambridge University. She previously directed the Animal Mummy Project, the North Kharga Darb Ain Amur Survey, Valley of the Kings KV10/KV63 Mission co-directed the Predynastic Gallery project and the North Kharga Oasis Survey. She has also participated in several other archaeological missions throughout Egypt. She has lectured on her work internationally and publishes in both scholarly and popular journals. She also has an active media presence.
